

Papers in other journals

Compiled by Becky Aston, Rosie Butler, Gill Brook, Jo Dafforn, Roberta Eales, Emma Hammerton and Claire-Anne Head

Obstetrics

- Altman D., Ekström Å., Forsgren C., Nordenstam J. & Zetterström J. (2007) Symptoms of anal and urinary incontinence following cesarean section or spontaneous vaginal delivery. *American Journal of Obstetrics and Gynecology* **197** (5), 512.e1–512.e7.
- Bastiaenen C. H., de Bie R. & Essed G. (2007) Pregnancy-related pelvic girdle pain. *Acta Obstetrica et Gynecologica Scandinavica* **86** (10), 1277–1278.
- Bellamy L., Casas J.-P., Hingorani A. D. & Williams D. J. (2007) Pre-eclampsia and risk of cardiovascular disease and cancer in later life: systematic review and meta-analysis. *British Medical Journal* **335** (7627), 974–978.
- Chai A. H., Wong T., Mak H.-L., et al. (2008) Prevalence and associated risk factors of retention of urine after caesarean section. *International Urogynaecology Journal* **19** (4), 537–542.
- Cheriachan D., Arianayagam M. & Rashid P. (2008) Symptomatic urinary stone disease in pregnancy. *Australian and New Zealand Journal of Obstetrics and Gynaecology* **48** (2), 1–27.
- de Leeuw J. W., de Wit C., Kuijken J. P. J. A. & Bruinse H. W. (2008) Mediolateral episiotomy reduces the risk for anal sphincter injury during operative vaginal delivery. *British Journal of Obstetrics and Gynaecology* **115** (1), 104–108.
- Dietz H. P. & Simpson J. M. (2007) Does delayed child-bearing increase the risk of levator injury in labour? *Australian and New Zealand Journal of Obstetrics and Gynaecology* **47** (6), 491–495.
- Duckett R. A. J., Grapsas P., Eaton M. & Basu M. (2008) The effect of spinal anesthesia on urethral function. *International Urogynaecology Journal* **19** (2), 257–260.
- Ee C. C., Manheimer E., Pirotta M. V. & White A. R. (2008) Acupuncture for pelvic and back pain in pregnancy: a systematic review. *American Journal of Obstetrics and Gynecology* **198** (3), 254–259.
- Ekéus C., Nilsson E. & Gottvall K. (2008) Increasing incidence of anal sphincter tears among primiparas in Sweden: a population-based register study. *Acta Obstetrica et Gynecologica Scandinavica* **87** (5), 564–573.
- Elden H. H., Hagberg H., Fagevik Olsen M., Ladfors L. & Ostgaard H. C. (2008) Regression of pelvic girdle pain after delivery: follow-up of a randomised single blind controlled trial with different treatment modalities. *Acta Obstetrica et Gynecologica Scandinavica* **87** (2), 201–208.
- Gerdin E., Sverrisdottir G., Badi A., Carlsson B. & Graf W. (2007) The role of maternal age and episiotomy in the risk of anal sphincter tears during childbirth. *Australian and New Zealand Journal of Obstetrics and Gynaecology* **47** (4), 286–290.
- Gottvall K., Allebeck P. & Ekéus C. (2007) Risk factors for anal sphincter tears: the importance of maternal position at birth. *British Journal of Obstetrics and Gynaecology* **114** (10), 1266–1272.
- Hegaard H. K., Hedegaard M., Damm P., et al. (2008) Leisure time physical activity is associated with a reduced risk of preterm delivery. *American Journal of Obstetrics and Gynecology* **198** (2), 180–182.
- Hill K., Thomas K., AbouZahr C., et al. on behalf of the Maternal Mortality Working Group (2007) Estimates of maternal mortality worldwide between 1990 and 2005: an assessment of available data. *Lancet* **370** (9595), 1311–1319.
- Hoddinott P., Tappin D. & Wright C. (2008) Clinical review: breast feeding. *British Medical Journal* **336** (7649), 881–887.
- Ickovics J., Kershaw T. S., Westdahl C., et al. (2007) Group prenatal care and perinatal outcomes: a randomized controlled trial. *Obstetrical and Gynecological Survey* **62** (12), 766–767.
- Kalus S. M., Kornman L. H. & Quinlivan J. A. (2008) Managing back pain in pregnancy using a support garment: a randomised trial. *British Journal of Obstetrics and Gynaecology* **115** (1), 68–75.
- Kindberg S., Stehouwer M., Hvidman L. & Henriksen T. B. (2008) Postpartum perineal repair performed by midwives: a randomised trial comparing two suture techniques leaving the skin unsutured. *British Journal of Obstetrics and Gynaecology* **115** (4), 472–479.
- Madsen M., Jørgensen T., Jensen M. L., et al. (2007) Leisure time physical exercise during

- pregnancy and the risk of miscarriage: a study within the Danish National Birth Cohort. *British Journal of Obstetrics and Gynaecology* **114** (11), 1419–1426.
- Magnussen E. B., Vatten L. J., Lund-Nilsen T. I., *et al.* (2007) Pre-pregnancy cardiovascular risk factors as predictors of pre-eclampsia: population based cohort study. *British Medical Journal* **353** (7627), 978–982.
- Manheimer E., Zhang G., Udoff L., *et al.* (2008) Effects of acupuncture on rates of pregnancy and live birth among women undergoing in vitro fertilisation: systematic review and meta-analysis. *British Medical Journal* **336** (7643), 545–549.
- Molander P., Väyrynen T., Paavonen J., Lepistö A. & Luukkonen P. (2007) Outcome of primary repair of obstetric anal sphincter rupture using the overlap technique. *Acta Obstetrica et Gynecologica Scandinavica* **86** (12), 1458–1462.
- Prager M., Andersson K. L., Stephansson O., Marchionni M. & Marions L. (2008) The incidence of obstetric anal sphincter rupture in primiparous women: a comparison between two European delivery settings. *Acta Obstetrica et Gynecologica Scandinavica* **87** (2), 209–215.
- Richens Y. (2008) Tackling maternal obesity: suggestions for midwives. *British Journal of Midwifery* **16** (1), 14–19.
- Rodriguez A., Arenas E. A., Osorio A. L., Mendez O. & Zuleta J. J. (2008) Selective vs routine midline episiotomy for the prevention of third- or fourth-degree lacerations in nulliparous women. *American Journal of Obstetrics and Gynecology* **198** (3), 285–286.
- Serati M., Salvatore S., Khullar V., *et al.* (2008) Prospective study to assess risk factors for pelvic floor dysfunction after delivery. *Acta Obstetrica et Gynecologica Scandinavica* **87** (3), 313–318.
- Smith G. C. S. & Fretts R. C. (2007) Stillbirth. *Lancet* **370** (9600), 1715–1725.
- Symon A. (2008) Third degree tears: the three-stage negligence test. *British Journal of Midwifery* **16** (3), 192–193.
- Terry R., Niven C., Dowding D., *et al.* (2007) ‘Should I come in now?’: a study of women’s early labour experiences. *British Journal of Midwifery* **15** (10), 604–609.
- Todman D. (2007) A history of caesarean section: from ancient world to the modern era. *Australian and New Zealand Journal of Obstetrics and Gynaecology* **47** (5), 357–361.
- Tomson T. & Hiilesmaa V. (2007) Pregnancy plus: epilepsy in pregnancy. *British Medical Journal* **335** (7623), 769–773.
- Villar J., Carroli G., Zavaleta N., *et al.* for the World Health Organization 2005 Global Survey on Maternal and Perinatal Health Research Group (2007) Maternal and neonatal risks and benefits associated with caesarean section: multicentre prospective study. *British Medical Journal* **335** (7628), 1025–1030.
- Ward V. B. (2007) Pregnancy plus: eating disorders in pregnancy. *British Medical Journal* **336** (7635), 93–96.
- Wiener A. & Rogers C. (2008) Antenatal classes: women can’t think beyond labour. *British Journal of Midwifery* **16** (2), 121–124.

Gynaecology oncology

- Collaborative Group on Endometrial Studies of Ovarian Cancer (2008) Ovarian cancer and oral contraceptives: collaborative reanalysis of data from 45 epidemiological studies including 23 257 women with ovarian cancer and 87 303 controls. *Lancet* **371** (9609), 304–314.
- Early Breast Cancer Trialists’ Collaborative Group (2008) Adjuvant chemotherapy in oestrogen-receptor-poor breast cancer: patient-level meta-analysis of randomised trials. *Lancet* **371** (9606), 29–40.
- International Collaboration of Epidemiological Studies of Cervical Cancer (2007) Cervical cancer and hormonal contraceptives: collaborative reanalysis of individual data for 16 573 women with cervical cancer and 35 509 women without cervical cancer from 24 epidemiological studies. *Lancet* **370** (9599), 1609–1621.
- James R. M., Cruikshank M. E. & Siddiqi N. on behalf of the Guideline Development Group (2008) Management of cervical cancer: summary of SIGN guidelines. *British Medical Journal* **336** (7634), 41–43.
- Reeves G., Pirie K., Beral V., *et al.* for the Million Women Study Collaboration (2007) Cancer incidence and mortality in relation to body mass index in the Million Women Study: cohort study. *British Medical Journal* **335** (7630), 1134–1139.
- Skjeldestad F. E. & Hagen B. (2008) Long-term consequences of gynecological cancer treatment on urinary incontinence: a population-based cross-sectional study. *Acta Obstetrica et Gynecologica Scandinavica* **87** (3), 469–475.

Bladder dysfunction

- Al-Buheissi S., Khasriya R., Maraj B. H. & Malone-Lee J. (2008) A simple validated scale to measure urgency. *Journal of Urology* **179** (3), 1000–1005.

- Ansari M. S., Srivastava A., Kapoor R., *et al.* (2008) Biofeedback therapy and home pelvic floor exercises for lower urinary tract dysfunction after posterior urethral valve ablation. *Journal of Urology* **179** (2), 708–701.
- Ansquer Y., Fernandez P., Aimot S., *et al.* (2007) MRI urethrovesical junction mobility is associated with global pelvic floor laxity in female stress incontinence. *Acta Obstetrica et Gynecologica Scandinavica* **86** (10), 1243–1250.
- Dumoulin C., Peng Q., Stodkilde-Jorgensen H., Shishido K. & Constantinou C. (2007) Changes in levator ani anatomical configuration following physiotherapy in women with stress urinary incontinence. *Journal of Urology* **178** (3), 970–977.
- Ebbesen M. H., Hannestad Y., Midthjell K. & Hunskaar S. (2007) Diabetes and urinary incontinence – prevalence data from Norway. *Acta Obstetrica et Gynecologica Scandinavica* **86** (10), 1256–1262.
- Eliasson K., Edner A. & Mattson E. (2008) Urinary incontinence in very young and mostly nulliparous women with a history of regular organized high-impact trampoline training: occurrence and risk factors. *International Urogynaecology Journal* **19** (5), 687–696.
- Gaskin C. J., Hawkins M. T. & O’Connell B. (2007) The construct validity of brief continence self-assessment awareness. *Australian and New Zealand Continence Journal* **13** (3), 61–65.
- Holroyd-Leduc J. M., Tannenbaum C., Thorpe K. E. & Straus S. E. (2008) What type of urinary incontinence does this woman have? *Journal of the American Medical Association* **299** (12), 1446–1456.
- Hullfish K., Fenner D., Sorser S., *et al.* (2007) Postpartum depression, urge incontinence and overactive bladder syndrome: is there an association? *International Urogynaecology Journal* **18** (10), 1121–1126.
- Kennedy C. M., Nygaard I. E., Bradley C. S. & Galask R. P. (2007) Bladder and bowel symptoms among women with vulvar disease: are they universal? *Journal of Reproductive Medicine* **52** (12), 1073–1079.
- Latthe P. M., Foon R. & Khan K. (2008) Nonsurgical treatment of stress urinary incontinence (SUI): grading of evidence in systematic reviews. *British Journal of Obstetrics and Gynaecology* **115** (4), 435–444.
- Miller J. M., Sampsel C., Ashton-Miller J., Hong G. S. & DeLancey J. O. (2008) Clarification and confirmation of the knack manoeuvre: the effect of volitional pelvic floor muscle contraction to preempt expected stress incontinence. *International Urogynaecology Journal* **19** (6), 773–782.
- Moore K. H. & Sarma S. (2007) The changing face of detrusor overactivity therapy in Australia. *Australian and New Zealand Continence Journal* **13** (3), 90–94.
- Morris A. R., Westbrook J. I. & Moore K. H. (2008) A longitudinal study over 5 to 10 years of clinical outcomes in women with idiopathic detrusor overactivity. *British Journal of Obstetrics and Gynaecology* **115** (2), 239–246.
- O’Reilly B. A., Fynes M., Achtari C., *et al.* (2008) A prospective randomized double-blind controlled trial evaluating the effect of trans-sacral magnetic stimulation in women with overactive bladder. *International Urogynaecology Journal* **19** (4), 497–502.
- Peters K., Girdler B., Carrico D., Ibrahim I. & Diokna A. (2008) Painful bladder syndrome/interstitial cystitis and vulvodynia: a clinical correlation. *International Urogynaecology Journal* **19** (5), 665–669.
- Salvatore S., Serati M., Ghezzi F., *et al.* (2007) Efficacy of tolterodine in women with detrusor overactivity and anterior vaginal wall prolapse: is it the same? *British Journal of Obstetrics and Gynaecology* **114** (11), 1436–1438.
- Siegert R. J., Weatherall M., Abernethy D. A. & Hay-Smith E. (2007) Bladder and bowel dysfunction in multiple sclerosis: a review of treatment effectiveness. *Australian and New Zealand Continence Journal* **13** (3), 81–89.
- Smith M. D., Russell A. & Hodges P. W. (2008) Is there a relationship between parity, pregnancy, back pain and incontinence? *International Urogynaecology Journal* **19** (3), 205–211.
- Sønksen J., Ohl D. A., Bonde B., Læssøe L. & McGuire E. J. (2007) Transcutaneous mechanical nerve stimulation using perineal vibration: a novel method for the treatment of female stress urinary incontinence *Journal of Urology* **178** (5), 2025–2028.
- Subak L., Van Den Eeden S., Thom D., Creasman J. M. & Brown J. S. (2007) Urinary incontinence in women: direct costs of routine care. *American Journal of Obstetrics and Gynecology* **197** (6), 596–598.
- Townsend M. K., Danforth K. N., Rosner B., *et al.* (2008) Physical activity and incident urinary incontinence in middle-aged women. *Journal of Urology* **179** (3), 1012–1017.
- Westergren H., Söderberg M., Johansson B., *et al.* (2007) Pelvic floor sex steroid hormone receptors, distribution and expression in pre- and postmenopausal stress urinary incontinent women. *Acta Obstetrica et Gynecologica Scandinavica* **86** (11), 1371–1384.

- Wijma J., Weiss Potters A. E., Tinga D. J. & Aarnoudse J. G. (2008) The diagnostic strength of the 24-h pad test for self-reported symptoms of urinary incontinence in pregnancy and after childbirth. *International Urogynaecology Journal* **19** (4), 525–530.
- Zabihi N., Mourtzinos A., Maher M. G., Raz S. & Rodriguez L. V. (2008) Short-term results of bilateral S2–S4 sacral neuromodulation for the treatment of refractory interstitial cystitis, painful bladder syndrome, and chronic pelvic pain. *International Urogynaecology Journal* **19** (4), 553–557.

Gynaecology surgery

- Altman D., Granath F., Cnattingius S. & Falconer C. (2007) Hysterectomy and risk of stress-urinary-incontinence surgery: nationwide cohort study. *Lancet* **370** (9597), 1494–1499.
- Diez-Itza I., Aizpitarte I. & Becerro A. (2007) Risk factors for the recurrence of pelvic organ prolapse after vaginal surgery: a review at 5 years after surgery. *International Urogynaecology Journal* **18** (11), 1317–1324.
- Gabriel B., Farthmann J., Brintrup B., *et al.* (2007) Surgical repair of posterior compartment prolapse: preliminary results of a novel transvaginal procedure using a four-armed polypropylene mesh with infracoccygeal and pararectal suspension. *Acta Obstetrica et Gynecologica Scandinavica* **86** (10), 1236–1242.
- Gerten K. A., Richter H. E., Wheeler T. L., *et al.* (2008) Intraabdominal pressure changes associated with lifting: implications for postoperative activity restrictions. *American Journal of Obstetrics and Gynecology* **198** (3), 306–307.
- Glavind K., Morup L., Madsen H. & Glavind J. (2007) A prospective, randomized, controlled trial comparing 3 hour and 24 hour post-operative removal of bladder catheter and vaginal pack following vaginal prolapse surgery. *Obstetrical and Gynecological Survey* **62** (12), 780–781.
- Haensel A., Naumann G., Höhle P., Rommens P. M. & Koelbl H. (2007) Osteomyelitis following a transobturator sling (TVT-O). *British Journal of Obstetrics and Gynaecology* **114** (12), 1577–1579.
- Jelovsek J. E., Barber M. D., Karram M. M., Walters M. D. & Paraiso M. F. R. (2008) Randomised trial of laparoscopic Burch colposuspension versus tension-free vaginal tape: long-term follow up. *British Journal of Obstetrics and Gynaecology* **115** (2), 219–225.
- Kulseng-Hanssen S., Husby H. & Schiotz H. A. (2008) Follow up of TVT operations in 1113 women with mixed urinary incontinence at 7 and 38 months. *International Urogynaecology Journal* **19** (3), 391–396.
- Mallett V. T., Brubaker L., Stoddard A. M., *et al.* (2008) The expectations of patients who undergo surgery for stress incontinence. *American Journal of Obstetrics and Gynecology* **198** (3), 308–310.
- Poza J. L., Pla F., Sabadell J., *et al.* (2008) Trans-obturator suburethral tape for female stress incontinence: a cohort of 254 women with 1-year to 2-year follow-up. *Acta Obstetrica et Gynecologica Scandinavica* **87** (2), 232–239.
- Robert M., Soraisham A. & Sauve R. (2008) Postoperative urinary incontinence after total abdominal hysterectomy or supracervical hysterectomy: a metaanalysis. *American Journal of Obstetrics and Gynecology* **198** (3), 264–265.
- Ward K. L., Hilton P. & the UK and Ireland TVT Trial Group (2008) Tension-free vaginal tape versus colposuspension for primary urodynamic stress incontinence: 5-year follow up. *British Journal of Obstetrics and Gynaecology* **115** (2), 226–233.

Gynaecology

- Doshani A., Teo R. E. C., Mayne C. J. & Tincello D. G. (2007) Uterine prolapse. *British Medical Journal* **335** (7624), 819–823.
- Heiss G., Wallace R., Anderson G. L., *et al.* for the Women's Health Initiative Investigators (2008) Health risks and benefits 3 years after stopping randomized treatment with estrogen and progestin. *Journal of the American Medical Association* **299** (9), 1036–1045.
- Komesu Y. M., Rogers R. G., Rode M. A., *et al.* (2007) Pelvic floor symptom changes in pessary users. *American Journal of Obstetrics and Gynecology* **197** (6), 620–622.
- Nelson H. D. (2008) Menopause. *Lancet* **371** (9614), 760–770.
- Rogers R. G., Leeman L. M., Migliaccio L. & Albers L. L. (2008) Does the severity of spontaneous genital tract trauma affect postpartum pelvic floor function? *International Urogynaecology Journal* **19** (2), 429–435.
- Sewell C. A., Chang E. C. & Sultana C. J. (2007) Prevalence of genital prolapse in 3 ethnic groups. *Journal of Reproductive Medicine* **52** (9), 769–774.
